

How to play the Leafophone

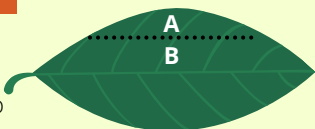

Checklist

- LEAF
- MOUTH
- LUNGS
- HANDS (OPTIONAL)

ANATOMY OF A LEAFOPHONE

- A** curves on upper lip
- B** place on bottom lip
- *It works upside down too

LIPS

You better not pout!
Keep your lips horizontal

LUNGS

Gently curve part A
Gently blow to let it flutter
Experiment where to place the
leafophone.

Hands

Hold the leafophone between thumb
and forefinger. Use your hands and lips
to tense the leaf for higher and lower
itches.
